

KING'S LYNN CONSERVANCY BOARD.

Notice to Mariners 27/ 2018.

East Coast of England - The Wash

Approaches to King's Lynn.

UKD "Cherry Sand" Dredging Disposal West Stones Disposal site HU143.

BA1200

Mariners are advised that from the pm tide 20<sup>TH</sup> November 2018 for approximately 10 days UKD Vessel "Cherry Sand" will be carrying out maintenance dredging for the safety of shipping within the enclosed Docks King's Lynn.

Each operational tide the "Cherry Sand" will depart King's Lynn Docks 1 hour to High water and proceed to the disposal area in the vicinity of the West Stones Beacon (52° 49.7'N 000° 21.1'E).

The disposal area is marked by 2 Yellow marker buoys;-

- North Buoy Fl.Y.5s 52°50.615'N 000°21.190'E.
- South Buoy Fl.Y.10s 52°50.360'N 000°21.300'E.

Discharge will be carried out at approximately High Water followed by return to King's Lynn Docks about 30 minutes after high water.

Mariners are requested to keep clear when the vessel is arriving and departing the Docks and on the disposal area as the vessel will be restricted in its ability to manoeuvre, and to navigate with caution whilst these works are taking place.

The "Cherry Sand" will monitor VHF channel 14.

12<sup>th</sup> November 2018.

P.J.Jary.
