

KING'S LYNN CONSERVANCY BOARD.

Notice to Mariners No. 15/2020

East Coast of England - The Wash

Approaches to King's Lynn

Bathymetric Surveys, Race Bank Offshore Windfarm Export Cables .

Commencing on or about Monday 18th May 2020 the survey Vessel “**MHO Grimsby**” will be undertaking bathymetric survey operations on areas of shallow buried export cables within the jurisdiction of King's Lynn Conservancy Board.

The survey area of operations will cover the 2 export cables from just WSW of **Z9 light buoy** in position 52° 59'.735 N, 000° 22'.750 E and extend northwards to the limits of jurisdiction of King's Lynn Conservancy Board.

The vessel will maintain a listening watch on VHF16 and VHF 14 whilst in our area of jurisdiction.

All vessels are requested to contact the “MHO Grimsby” for advice and information as to passing at a safe distance whilst survey operations are underway.

18th May 2020
