

KING'S LYNN CONSERVANCY BOARD.

Notice to Mariners 06/ 2026.

East Coast of England - The Wash

King's Lynn Harbour.

Survey Operations in the area of the Mill Fleet and Parliamentary Quay.

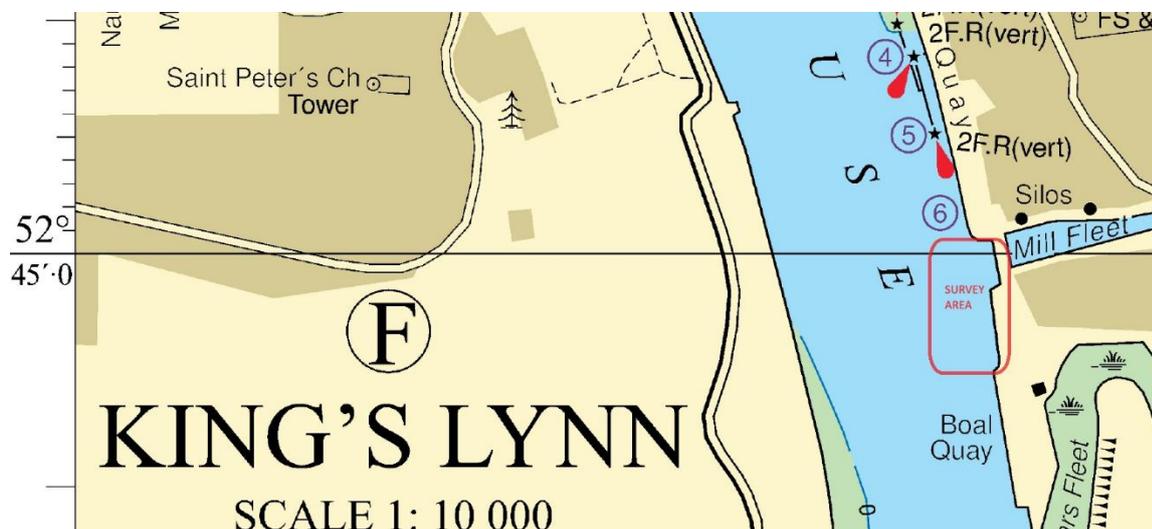

Mariners are advised that Marine Survey Operations will be carried out by a remotely operated unmanned survey vessel (Seafloor Tridrone).

The vessel pilot will be stationed onboard KLCB Workboat Ardenfast which will be moored on the South Quay 5 Pontoons.

These operations are scheduled to begin 24.02.2026 and to be completed by 27.02.2026.

The Latitudes & Longitudes for the survey site is as follows:

- 1) $52^{\circ}45.012'N$ $000^{\circ}23.631'E$
- 2) $52^{\circ}45.010'N$ $000^{\circ}23.604'E$
- 3) $52^{\circ}44.943'N$ $000^{\circ}23.616'E$
- 4) $52^{\circ}44.946'N$ $000^{\circ}23.651'E$

Seafloor Tridrone which will be used in the survey

Mariners are requested to navigate with extreme caution when in the area and to contact the vessel pilot on VHF CH 14 when passaging during operational times.

KLCB Ardenfast will maintain a listening watch on VHF CH 14 & CH 16.

Please contact the Harbour Office for further information.
